THE COMPANY TRUE TECHICAL EXPERTS

As a global leader in innovative logistics solution, NAMYOUNG has been driving the industry forward since 1989.

Our commitment to cutting-edge technology, such as logistics automation, has enabled us to deliver unparalleled efficiency and reliability to our customers.

With a strong focus on sustainability and customer satisfaction, we are shaping the future of logistics.

ABOUT US

As a global leader in logistics solutions, NAMYOUING is shaping the future of logistics with our innovative solutions. From traditional racking systems to advanced automated storage

and battery module deck systems, we provide cutting-edge technology to optimize your supply chain.

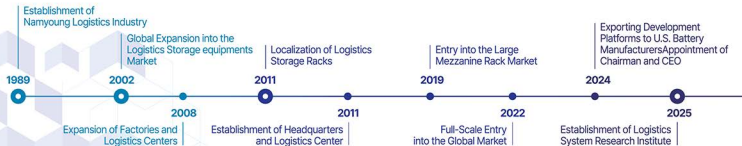

THE PATH WE HAVE WALKED ON

FOUNDING PERIOD

GROWTH PERIOD

NEW LEAP

Since its establishment in 1989, NAMYOUING has been relentlessly innovating with a customer-centric approach. By maximizing logistics efficiency through revolutionary systems such as hanger racks, mezzanines, and battery module deck systems,

NAMYOUING has grown while delivering unparalleled value to customers in the global market. Looking ahead, NAMYOUING will continue to lead the future of the logistics industry by growing together with its customers.

UNIQUE STRENGTHS

NAMYOUNG is a company that operates with differentiated competitiveness, enabling customers to place orders with confidence. With extensive delivery records and field experience in the logistics storage facility industry, we manage the entire process from design to manufacturing and installation.
